

Struggling with some of the concepts covered in the lesson plans? Use the activity sets to get more guidance and practice! They can be found under the “Resources for Schools” tab under “General Resources”, or at this link: <https://pennforyouthdebate.org/activity-sets/>. Please note that some activity sets may be relevant for more than one lesson plan, and some lesson plans may have multiple activity sets listed. Feel free to do all of the relevant activities to get more practice, or just the activity sets that cover concepts you’re struggling with!

Below is a list of each lesson plan and the activity sets that you might find useful or relevant for that lesson.
